Services & Benefits

ITP's knowledgeable sales staff can help break down kits by connection to ensure the proper length bolts are shipped to the job. By utilizing our own packaging department we can create kits in numerous configurations and with special labeling, we can tag each kit with details such as where it goes in the field.

- › Over 150,000 square feet of combined warehouse space
- › Knowledgeable sales staff
- › Online ordering
- › Warehouse accuracy and on time shipment ratio of 99.85% by line
- › Weekly stock transfers to minimize inbound freight
